

Sunday, July 26th, 2020

As most of you have already seen, there has been a sharp increase in COVID19 cases in our little community.

In light of that, please consider carefully whether or not you feel comfortable coming to service this Sunday. If you feel AT ALL under the weather or not OK with being out, please stay home and study God's Word with us via the internet.

Stay tuned for updates. This is a situation that seems to change by the day so we will try to stay up to date and let you know the plan as we go forward.
